

Wheelchair Passengers

A wheelchair service, along with an attendant, is available for passengers who require it at no extra cost for all Cathay Pacific flights. The attendant will assist in transporting the passengers within the airport area and to the gate or aircraft door (depending on the airport facilities).

| Wheelchair Types | Condition | Acceptance and Handling |
|-------------------------|---|---------------------------|
| WCHR (R = RAMP) | Passenger if travelling without an escort can be accepted, provided they are self-reliant. Non-MEDA case do not require special individual attention and assistance during in-flight and on ground and can evacuate the aircraft in the event of an emergency without assistance. Or else the passenger must travel together with a qualified escort. | 48 hours before departure |
| WCHS (S = STEPS) | | |
| WCHC (C = Cabin) | | |
