Cathay Pacific SWP Kick Off Conference

For the first time since 2019, the South West Pacific Kick-Off Conference took place over two days in Sydney last month. It was a great opportunity to be able to bring our colleagues together again from across the region to hear about new and exciting updates for 2023 and beyond.

The theme of this year's conference was *Move Beyond: Building a Brighter Future*, centered on the rebuilding of the company after overcoming the challenges we faced in the last few years.

Overall, it was an insightful, energetic and collaborative conference with lots of exciting things in the pipeline!
